

**Coming Soon**

**NORTH TARRANT PARKWAY, EAST OF RUFÉ SNOW**

**PLANNED DEVELOPMENT**

# New Retail and Dental Office

Dear Neighbors:

As potential new neighbors, we would like to make you aware of a new commercial development proposed in the area. We plan on new retail center and a professional dental office. along the north side of North Tarrant Parkway just east of Rufe Snow. It will adjoin the existing retail center to the west and be separated from the Highland Oaks Subdivision by the detention pond of the City.

Several features of the new development include:

- An approximate 6,000 square foot retail center;
- 4,000 square feet of professional dental office space;
- An outdoor patio/dining area to accommodate a potential restaurant;
- The construction features of the retail center will be similar to the adjoining development and complimentary to the neighborhood.
- The professional dental space will have a residential design like other medical space within the area

**Please contact us with any questions at 817 737-5000**

## Retail Center

New Retail Center featuring an outdoor dining area to accommodate potential new restaurant

## Dental Office

New Dental Office with feature arched entryways and a residential design to compliment the surrounding development.
